

Youth Volunteering Opportunity Bulletin

SURFERS AGAINST SEWAGE

Administrator

SAS are looking for an administrator to help with labelling and filling envelopes for the quarterly newsletter Pipeline. Volunteers will be given on the job training along with support from a supervisor from day to day. The placement will be St Agnes; SAS are willing to make contributions towards travel expenses.

Opportunities will start from 2nd February 2010 until the 15th February 2010

PLATFORM 2

Overseas Volunteer

Platforms 2 are looking for volunteers aged 18-25 to take part in their community volunteer projects. Volunteers will be sent overseas to developing countries on 10 week placements to help with these projects. Activities range from advice, information and support, campaigning and lobbying, caring, community work, gardening, general and helping, languages, local events, marketing, PR and media, mentoring, national and international events, practical work and DIY, sports development, teaching, training and coaching and youth work. No payment is required as it is government funded. Volunteers will stay with local families within the village community.

Application deadline is May 26th 2010

GREENPEACE

Greenpeace are looking for volunteers to help with environment issues and help make a difference, you will have the chance to attend exciting events where you will learn about Greenpeace campaigns, meet other volunteers and campaign on a variety of issues, and Local groups will primarily be involved with street campaigning and occasional lobbying of MPs. The types of activities they have include Administration, music and national and international events. Travel expenses can be reimbursed.

BODMIN FUTURES

IT Training: young to old - bridging the gap.

This involves 1-to-1 tuition, Young volunteers needed to support and develop activities and everyday IT applications for older members of the community. Daytime opportunities available from Monday to Friday. The different activities are as follows; computers, technology and website design, mentoring, teaching, training and coaching. All that is required is good interpersonal communication skills.

CORNWALL LIBRARIES

Young Library Volunteers

Volunteers are wanted countywide to take part in the two programs that they have on offer, one program is the Summer Reading Challenge, this entails helping children aged 4 – 11 to select books and talk to them about what they have read, distribute rewards – bookmarks, stickers and games – and record progress, There is also the Home Library Service, this service is about improving the quality of life to housebound readers by selecting books on behalf of the people who are unable to attend a library in person and/or deliver to their home.

Opportunities are ongoing.

BF ADVENTURE

Volunteers needed who can offer one day a week to work alongside our instructors. Can you help to support children and young people with challenging backgrounds achieve and develop positive life skills, through activities such as climbing, canoeing, archery, survival skills, creative sessions, environmental work and cooking.

Opportunities are ongoing.
